BEDFORD MASTERS LEVEL 1 – A TEAM FOR EVERY GENERATION

Our Bedford Masters Level 1 team is truly something special. With athletes ranging from 16 to 46 years old, this group brings together an incredible blend of experience, energy, and enthusiasm. They prove every week that cheerleading is a sport for everyone—no matter your age, background, or starting point. What unites them is their shared determination to learn new skills, build confidence, and fully embrace the fun, challenge, and teamwork that cheer brings.

Coach Jade has been guiding the team all season, and her dedication shows in their progress. Week after week, this team continues to grow in strength, technique, and trust in one another. Their commitment and positive spirit shine through at every training session.

We can't wait to see the Bedford Masters Level 1 take the floor at Crush in January—it's going to be a performance to remember!

RODEO FUNDRAISER

Our Elements Elite Rodeo Fundraiser brought our community together for a fun-filled day of family activities, friendly competition, and cheer spirit—all in support of our athletes. With rodeo-style games, challenges, and plenty of laughter, the event helped raise vital funds for U14's to Tavel to America to compete at UCA in March!

COACHES CORNER

A Note from James.

As the administrator and resident cheer husband, my job covers just about everything behind the scenes! From sending invoices and processing orders, to setting up for classes, hauling equipment between Bedford, Kettering and our storage locker, and keeping the website updated — if it keeps the club running smoothly, I'm probably doing it!

It's been a crazy busy few months here at Elements Elite, and it's only going to get even busier as we head into competition season. But honestly? I wouldn't have it any other way.

I've already seen sneak-peek clips of choreography, heard our coaches share the most wonderful things about their teams, and even received some fantastic testimonials from parents. The energy, passion and progress across the club right now is unbelievable.

I'm more excited than ever to see what the Elements Elite community achieves this year. Let's make it one to remember!

ATHLETE OF THE MONTH - MOLLIE WEBB

Mollie may have only been with us a short time, but she has taken to competitive cheerleading like she was born for it! Her determination, positive attitude, and willingness to learn have made her stand out from day one.

She works incredibly hard to understand and apply corrections, showing real maturity and commitment for such a new athlete. Mollie is already developing into a fantastic flyer — confident, flexible, and always ready to give 100%.

We are so proud of how far she has come in such a short time and can't wait to see her continue to shine!
